

## **“Free Look” Document**

Active CM/ECF participants receive an email notification in the form of a Notice of Electronic Filing (NEF) of all activity in each of their cases. That email notification contains the one “free look” for each document filed as part of the CM/ECF program. To view or save the document, filers must select the Document **Number** hyperlink from the email. If the filer loses the free look, the filer must query the docket through PACER.
